

Are we going to let the RNC out phonebank our Democratic candidates in Nov?

From Axios – New: RNC flexes infrastructure muscle

[Via Twitter](#)

The RNC today will announce an eight-figure hiring wave — 300 more Trump Victory staff who'll deploy to target states by June 1, bringing the field staff to 1,100+.

- **The RNC says** Trump Victory, the joint field effort between the party and the Trump campaign, has transitioned volunteers to digital organizing tools like "Trump Talk," which lets them phone bank from home.
- **RNC chief of staff Richard Walters:** "These unprecedented efforts are building a political juggernaut that will deliver Republican victories up and down the ballot."

The party says Trump Victory teams made 10 million calls last week, an RNC record.

- **The previous record** was in 2018 — 7 million calls in the week before midterms.

The CADEM Coordinated Campaign Needs You!

The Tehachapi Mountain Democratic Club (TMDC) is coordinating with the statewide CADem team to provide opportunities for you to be involved at the local, state, and national levels.

On the local level TMDC is committed to supporting three Congressional districts races: CD 21, re-elect TJ Cox; CD 23 elect Kim Mangone to retire McCarthy and CD 25, Christy Smith who lost the special election due to low turnout but she can win in Nov if we get out our voters.

This is where you come in – WE NEED YOUR HELP to win in NOV!

Are You Proud to be a Democrat, then join Tehachapi Mountain Dem Club!

If by a "Liberal" they mean someone who looks ahead and not behind, someone who welcomes new ideas without rigid reactions, someone who cares about the welfare of the people-their health, their housing, their schools, their jobs, their civil rights and their civil liberties-someone who believes we can break through the stalemate and suspicions that grip us in our policies abroad, if that is what they mean by a "Liberal", then I'm proud to say I'm a "Liberal."

Postcard Campaign to support Kim Mangone needs your help!

The TMDC is joining with the Kern Democratic Women and Kern County Dem Committee to write postcards in support of our Democratic candidates in the area. Three campaigns are being targeted and TMDC is committed to doing 2,000 postcards for Kim Mangone, CD 23. By starting now, we hope to have the cards written by July 31, Then we need to put address labels and stamps on so we are sure we don't waste any stamps in case a mistake is made on a card. This is where you can help! We need to raise money for the postage - \$700 to be exact. If you want to donate you can either buy postcards stamps, \$35./per 100 or you can contact Kathy and write a check payable to Kathy since we can not use the club account for federal work. You can also help write the postcards from your home until we can possibly meet again at Village Grill for a post card party. If you want a package of 50 cards contact Kathy Kneer, (916) 878-6453. See samples below.
